State Treasurers Settle More Promptly, \$200,000 Arriving in One Day.

State Auditor C. Lee Moore was all smiles yesterday when he reported reseipts in a single day of \$200,000 on the monthly accounts from the county treasurers, a system of settlement which he has inaugurated, in the effort to put the State's financial affairs upon a thorough business basis. The receipts yesterday, coupled with settlements of \$60,000 on Monday, indicate that Mr. Moore's system is taking with the treasurers themselves. "We are delighted," said Mr. Moore. The treasurers are doing just as I taked them, and if they will only keep a the splendid work they have doing a the last two months I am confident to can get the Auditor's office on the coundest business footing. I am a continuous acceptance of the coundest business footing.

I want you to see her and find out if there is any hope for me." Miss Hamilton, from her office. 2044 A. In the Central Bank holiding. Denver, Colo, is ready to take up Miss Irwin's challenge. "I can reduce Miss Irwin's weight fifty or one hundred and fifty pounds if she will use my treatment," declared the famous little Galendar Girl to-day. "I don't want any prize for it, either. I feel I owe Miss Irwin a great deal. I have enjoyed mere good laughs at her comedy than I everhad in my life anywhere else, and if she will allow me to show her how to reduce I shall consider it an honor to show her just how I do it."

Miss Hamilton has written to Miss Irwin, making her such an offer, and is awaiting a reply to her letter. The friends of the little Calendar Girl are making a hook on the proposition. The odds are all in favor of her success.
